*For full information on all BBR post-tensioning and stay cable systems, as well as all certified PT Specialist Companies of the Global BBR Network of Experts, please visit the BBR website or contact BBR VT International Ltd. Please see reverse for further information.*

A Global Network of Experts  
[www.bbrnetwork.com](http://www.bbrnetwork.com)

The BBR Network Member is qualified for post-tensioning works and responsible for compliance with all regulations set out in the relevant instructions of BBR VT International Ltd. Furthermore, they are also responsible for compliance with the respective standards and regulations in force at the place of use, as well as ensuring the professional execution of the post-tensioning works – including logistics, supply, full assembly and installation service, quality control and the endorsement of all safety-at-work and health protection regulations.

This confirmation is issued for the independent execution of post-tensioning works in the named territory.
